7 January 2015

Dear Kerry

Thank you so much for the further donations of £125, following your Tractor Run in memory of Harry.

As you know these donations will directly help us continue to support those bereaved or injured by a road crash, and to campaign for justice for road crash victims, and for road danger reduction and transport policies that give greater consideration to vulnerable road users and the environment.

If you are able to send us the information and photographs from the day within the next month that would be greatly appreciated. If it is more convenient for you, please feel free to email this to info@roadpeace.org.

Thank you once again for thinking of RoadPeace, and for helping us to help others.

Yours sincerely

A handwritten signature in black ink, appearing to read "Sara Dowling".
