

Warning lights

Direction indicators - GREEN

Flashes in conjunction with the direction indicators. If the light

does not illuminate, this may indicate a bulb failure in the warning light pack or in one of the direction indicator lights.

Headlight main beam - BLUE

Illuminates whenever the main beam headlights are on.

Hazard warning lights - RED

Illuminates in conjunction with

Trailer direction indicators - GREEN

Flashes in conjunction with the

vehicle direction indicator lights to show that all trailer indicator lights are functioning correctly. In the event of a bulb failure on the trailer, the warning light flashes once and then remains off.

NOTE: *When a trailer is not fitted, the warning light will only flash once.*
